Hemingway, Ernest:

Fiesta: The Sun Also Rises / Ernest Hemingway. - 1. Aufl. - Windmill Books, 2004.

Paris in the twenties: Pernod, parties and expatriate Americans, loose-living on money from home. Jake is wildly in love with Brett Ashley, aristocratic and irresistibly beautiful, but with an abandoned, sensuous nature that she cannot change.

When the couple drifts to Spain to the dazzle of the fiesta and the heady atmosphere of the bullfight, their affair is strained by new passions, new jealousies, and Jake must finally learn that he will never possess the woman he loves.

Powerful, intense and magnificent, Fiesta is the novel which established Ernest Hemingway as a writer of genius, and set him on the way to being one of the greatest literary novelists of the twentieth century.

Tegetthoff, Folke:

The children's moment / Folke Tegetthoff. - 1. Aufl. - Wolfsburg: Edition Neues Märchen VerlagsG, 2023.

Folke Tegetthoff tells stories about 25 children from 19 countries.

Together with 17 internationally reknown photographers from 11 countries (including two-time Pulitzer Prize winner Muhammed Muheisen!) Folke Tegetthoff decides to make a book. The basis is their impressive and touching photos of children and teenagers. It becomes Folke's typical stories and fairy tales, which in a magical way are able to create a connection between reality and the fairy tale world - "Fairy tale is not an escape from reality, it is a desire for reality!" www.tegetthoff.at
